

Project Dark Arts-Reborn Submission and Entry Rules:

Hello artists and welcome to this year's Project Dark Arts Reborn! This year we are drawing a dynamic crowd having mixed media art, multiple performances, fire breathing, a full dark themed fashion show, body painters, full liquor bar and catered food all at the beautiful NOVA 535 in downtown St. Petersburg Fl.

We are encouraging submissions from all artists/photographers/creators and designers who would like to have their art considered for inclusion in the event, whether you're an emerging or established artist we're always looking for new and exciting work and we appreciate you taking the time to engage with us. We give special consideration to our local artists so please mention that to us when you submit your work.

We also want your work to be showcased in the very best way possible so please consider the following guidelines as you prepare for your exhibit. While sales are highly important to us, our goal is to emulate a gallery venue rather than a retail venue so please consider this while choosing and showcasing your work. Please keep in mind that we like the dark, strange, beautifully bizarre, unusual, creepy, and macabre. Not too much is off limits! (See the bottom of the page for no-no's)

With that being said, we ask that potential submitters read and adhere to the rules, as we will not accept artworks that do not comply. Observing the following points ensures your artwork is exhibited in the best way possible.

Curation of the event.

1. All artwork will be curated on the CloudFolios site, no exceptions. Please do not email us or send your art submissions to us on messenger or in a text message as it will not be accepted. CloudFolios will help us keep your art organized, up to date with pricing and tagged with your name and listed price with an online gallery after the show is complete.
